

COMPUTING– We will be exploring technology and developing our mouse and keyboard skills. We will also develop their understanding of a range of tools used for digital painting

ART– We will be exploring shape and line. They will draw lines of different shapes and thickness using pencils and crayons. We will look at the artist Mondrian and Kandinsky.

PE- This half term we will be doing gymnastics. We will be learning to develop and apply shapes and travel on the floor and on apparatus. With EPC, they will be doing REAL PE, where they will be focusing on our coordination and balance.

GEOGRAPHY— We will use simple maps and atlases to identify the United Kingdom and its countries. We will also identify seasonal and daily weather patterns in the United Kingdom.

RE– We will be focusing on the question ‘Why is the word god important to Christians?’

MUSIC– We will be listening to different types of music, singing songs and playing the glockenspiels using Charanga.

Year 1

Autumn 2026 - Transport

SCIENCE– We will be learning about the materials that vehicles are made from. We will be sorting materials and comparing their properties. We will also be learning about seasonal change.

HISTORY– We will be learning about how transport has changed over time. We will also be learning about Amelia Earheart.

MATHS– We will be learning to recognise and write numbers to 20. We will also be finding one more or less than a given number. The children will be adding and subtracting numbers to 20. We will also be recognising 2D and 3D shapes.

ENGLISH- We will be focussing on a variety of transport related texts. The children will become familiar with key stories and will learn to write sentences using their phonic skills. We will also be learning to recite some poems.

PSHE- We will be learning about road safety, brushing our teeth and washing our hands. We will also be celebrating ourselves and learning about friendships.

DT– We will be evaluating, designing and making a page for a moving picture book.
