

ART- We will be creating a drawing final piece of a man made object and a natural object.

The Romans - Year 3

Computing- We will be learning about laptops and how to use them, online safety and coding using scratch.

DT- We will be designing, making and sewing a Roman Tunic.

English- we will be exploring a range of different genres, including writing stories that are set in a different period of history. We will also be writing instructions, writing a newspaper report about Boudicca and focusing on and describing Roman scenes.

SPECIAL EVENTS—We will be visiting Colchester castle in order to get an idea of what Roman Britain was like and what life would have been like as a Roman.

History- we will be learning about how the Roman invasion impacted British life, investigating why the Roman army were so successful and finding out about Roman life and how it was different to today.

Science- In Science we will be learning about animals including humans and forces and magnets.

MUSIC- we will be practising singing in groups, listening to music, answering questions about pieces of music and playing the glockenspiels using Charanga

PE- We will be looking at dance and how to move our bodies in different ways. We will also be concentrating on our footwork skills in order to travel in different ways.

Geography - We will be looking physical features of geography such as rivers, mountains and the water cycle. We will also be looking at countries in Europe on a map.

LANGUAGES (French)- we will begin to learn the basics of communicating in French.

RE- In RE we will be learning about what difference does being a Muslim make to daily life.

PSHE- We will be looking at how to stay safe in different environments and how to manage risk to our physical and emotional wellbeing.
