Earls Colne PRIMARY SCHOOL AND NURSERY

SPRING TERM EDITION NO. 12

JAKKI SIBLEY HEADTEACHER

04TH APRIL 2025

Welcome to the Earls Colne Primary and Nursery School Newsletter

MILBANKS CONCRETE SPREADS EASTER JOY AT EARLS COLNE

A heartfelt thank you to Milbanks Concrete for their generous donation of Easter eggs to every child at Earls Colne School. This annual tradition brings smiles and joy to our students, making Easter extra special. Yummy treats for everyone!

COMIC RELIEF

We are thrilled to announce that the students of Earls Colne have successfully raised an impressive £290.87 for Comic Relief. This generous contribution will go a long way in supporting Comic Relief's mission to tackle poverty and social injustice. Well done to all involved!

BOOK FAIR

We are thrilled to announce that our recent schoolbook fair was a tremendous success! Thanks to the incredible support from our students, parents, and staff, we raised an impressive £812 for the school. These funds will be used to purchase new books for our library, ensuring that everyone has access to exciting and enriching reading materials.

Attendance Champions

Congratulations 6AK class whose attendance was a fantastic 97% for the week beginning 31st March 2025.

WELL DONE FOR WORKING SO HARD!

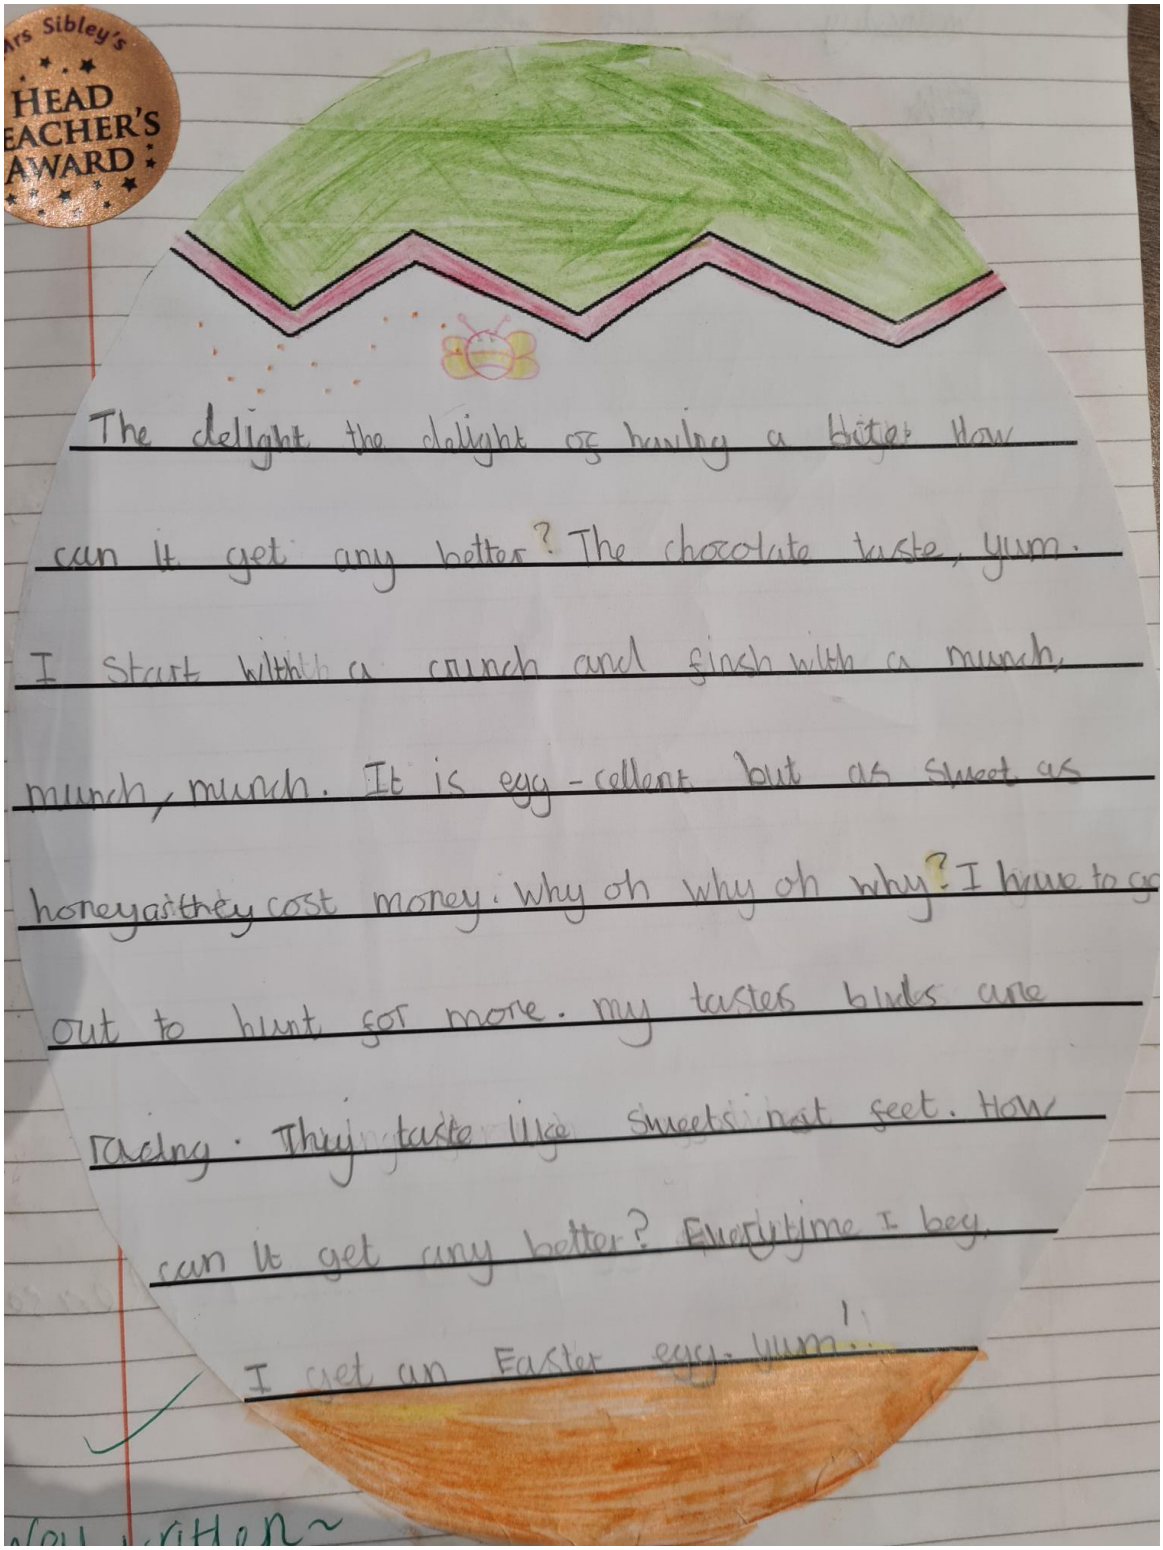
Kiki Lawrence – Amazing writing, such imaginative ideas and a great writing flow!

Theo Smith – Designing and sewing a new school badge, it was brilliant!

Edie Clark – An 'EGGCELENT' poem, so good we thought we'd share it! (See 2nd page of newsletter)

Abigail Hinkin & Hudson Hawkins – Concentrating really well and completing a great piece of DT sewing.

Edie Clark – An 'EGGCELLENT' poem!



RECEPTION CLASS NURSE/ DENTIST VISITS LAST WEEK

In reception, we had another special visitor; her name was Mrs Jo Bremner and Jo is a hosital nurse! What a lovely visit we had with her!
Jo spoke to the children about all the special jobs she has to do whilst she is at work! We were very lucky because Jo brought some of her special equipment!
🌟 An oximeter to measure our oxygen levels and pulse!
🌟 A blood pressure machine
🌟 A stethoscopes to listen to our hearts
🌟 And lots of bandages to practise our first aid treatment!

Thank you so much Jo for such a wonderful morning!

To help us learn more about People Who Help Us stay healthy, we've had another special visitor, her name was Kate and she is a dental nurse!
Kate came to speak to Elephants and Monkeys and taught us all about looking after our teeth!
We looked at
💡 Xrays
🦷 Teeth moulds
🦷 Special mouth mirrors
🦷 Tooth brushes, toothpaste and timers!

Kate has kindly provided all the Elephants and Monkeys with a gift bag filled with
🦷A toothbrush
🦷Toothpaste
🦷 Timer
🦷 A Special Sticker
🦷 A toothbrushing chart!

Thank you so much Kate for teaching us lots of different information to keep our teeth healthy and clean! We are all going to fill in our cleaning chart to receive a stamper in our Agents of Change passports.
🌟

YEAR 3 EXPLORING FINGRINGHOE WICK

Year 3 had a fantastic trip to Fingringhoe Wick as part of our Stone Age topic. They enjoyed making spears, cave painting, tracking animal footprints and lighting our own fires!
They were all superstars and we were so proud of their excellent behaviour and enthusiasm for the day.
