Earls Colne PRIMARY SCHOOL AND NURSERY
SPRING TERM EDITION NO. 2

JAKKI SIBLEY HEADTEACHER

24TH JANUARY 2025

Welcome to the Earls Colne Primary and Nursery School Newsletter.

SCHOOL LUNCHES

We wanted to remind you that our school lunches cater for pupils with allergies and in fact, do so incredibly well! We follow the Schools Food Standards, as set out by the Government, which stipulates the nutritional weekly balance required, the correct levels of starchy foods, fruit, vegetables, meat diary and non-diary sources of protein and the limitations on food high in fat, sugars and salt. School Grid will only allow you to pre-order those meals which are safe for your child, as per the allergies which you have noted on the system. Understandably it can be much harder for us to monitor home packed lunches. We very much rely on parents/ carers not sending in sandwiches with peanut butter/ Nutella or nuts in any form. As with our school meals, we ask that home lunches are kept healthy, do not contain chocolate bars and plenty of fruit and water is provided. Please can we ask that you check to make sure your child's meals are booked for the remainder of this half term on School Grid. Our pre-booked numbers are looking low and once bookings are closed, you won't be able to order on the day.

YEAR 6 EXTENDED VISIT TO DANBURY

This year's trip is now live for payments on Parent Pay, the deposit will need to be paid to secure your child's place.
Remaining Instalments:
07th Mar - £58.00
25th Apr - £57.50.

Well done for working so hard!

Chase White, Harley Silk – Confident work on decimals and fractions.
Mariyah Rashid, Evie Boulten – Brilliant sketching and presentation in art.
Nevaeh Dawson – Such brilliant maths work, Nevaeh showed great determination and worked hard on her maths learning and produced fantastic work! Really proud of you Nevaeh.
Harry Piper, Wren Sturges – Both of these children absolutely smashed a tricky maths lesson on multiplying fractions, such resilience and determination through a tricky lesson. Amazing work guys!
Cemre Almas, Bella Pratt, Oscar Weston – Such great maths work by these three superstars! I was so pleased to see their hard work and great outcomes.
Livvy Cranfield – The most incredible writing was produced by Livvy this week, write a book Livvy, I'd buy it!
