25TH APRIL 2025

Welcome to the Earls Colne Primary and Nursery School Newsletter

GARDENING CLUB

Since September, the children have been busy in the gardening club. They've learned about the plant-to-plate cycle, made salsa, and sown tomato seeds. The club has cleared autumn leaves, weeded, and planted spring bulbs around the school. They've also developed grey spaces, planted vegetables, and are creating a pollinator garden with a pond and mini orchard.

One focus has been on creating independent garden stations, where children take responsibility for areas at lunchtimes. Their hard work has earned them level 2 and level 3 garden awards from the RHS! We're so proud of them.

What the children have to say:

- "We planted bulbs and flowers, made a pond, and planted a tree. It was super cool." – Zara
- "Gardening is one of the best experiences. Making the pond made me feel very responsible." – Nancie
- "I loved making the wildflower border in the pollinator garden!" – Millie, Poppy, and Callan
