SUMMER TERM EDITION NO. 2

JAKKI SIBLEY HEADTEACHER

02ND MAY 2025

Welcome to the Earls Colne Primary and Nursery School Newsletter

Stay Sun Safe!

Suncream should be applied before school to ensure it is applied correctly.

If you feel your child will need to reapply during the school day they can bring their own, labelled bottle of sun cream, which must be handed in to the class teacher when they arrive. They cannot give another child their suncream in case of allergic reaction and their cream must not be kept in their school bag.

Children who need to reapply their suncream will be allowed to do so at lunchtime only. Unfortunately, staff will not be able to assist with the application of the cream.

You do not need to do anything if you are happy that the application before school is sufficient for your child.
