Year 6 Bikeability – Learning Road Safety in Earls Colne

This week, our Year 6 pupils have been taking part in the Bikeability programme, learning essential skills to stay safe while cycling on the roads around Earls Colne. With the help of trained instructors, the children practiced everything from basic bike control to navigating junctions and understanding road signs. It's been a fantastic opportunity to build confidence and independence, and we're so proud of how well they've done!
Well done, Year 6 – safe cycling!
