Hot Weather Reminder for Parents & Carers

As the warm weather continues, we kindly ask for your support in keeping our children safe and comfortable during the school day:
Apply sun cream to your child before school. Staff are unable to apply it during the day.
Please ensure your child brings a named sun hat to wear during outdoor activities.
Send your child with a refillable water bottle, clearly labelled with their name, to help them stay hydrated.
Let's work together to keep everyone cool, safe, and sun-smart!
Thank you for your continued support.
