VE80 Day Celebrations at School

Our school was filled with excitement and learning as we celebrated VE80 Day! The children had a fantastic time taking part in a variety of fun and educational activities that brought history to life. A special highlight was the visit from the Earls Colne Heritage Museum, who set up a wonderful pop-up museum for all children. Pupils were fascinated by the artefacts and loved learning about life during World War II and the significance of VE Day. It was a memorable day full of discovery, reflection, and joy!
