Y6 SATS WEEK

This week has been SATS week and a huge well done to all the children in Y6. They have been absolute superstars! Each morning they have met for breakfast provided by our lovely kitchen team and we have had some wonderful feedback from the children.

A huge well done and thank you to all the Y6 team for preparing the children for the SATS and special thanks to those staff who came in on their days off.

Well done everyone!

Attendance champions

Congratulations to **6S** class, whose attendance was a fantastic, and truly brilliant **98.3%** for this week!!

Well done for working so hard!

Isabel Benson -for working really carefully in maths, taking time to think and not give up! Great work. **Etta Green** – for writing an absolutely captivating story about a girl who watched others win, but didn't give up. It was brilliant Etta! Well done! **Cemre Almas** – for a great learning attitude in class which saw her achieve great things in her maths and writing work this week. **Joe Hermon** – for making such great progress in reading and finding a whole new rich world in books that has opened up to him. We are really proud of your determination Joe. **Oscar Finch** -for turning things around when things get tricky! **Callan Randall** – Stunning artwork – really considered carefully and beautiful work. **Lorna Handley** – creating two beautiful paintings that I'm sure anyone would want on their walls! Amazing work Lorna – well done.

24 HOUR WATT BIKE CHALLENGE

On Thu 11 Jul 24, James Battle, the Father of Casey Battle, who is in Year 6, will be conducting a 24 hour Watt Bike challenge within the school grounds to fundraise for Colchester and Ipswich Hospitals charity. He has chosen this charity because Colchester General hospital Intensive Care unit provided essential care for Casey for the first two weeks of his life due to difficulties at birth and he would like to give something back to the hospital that looked after Casey.

He will be riding a Watt Bike for 24 hours continuously within the Schools grounds on his own starting at 1100 on Thu 11 Jul 24 and finishing at 1100 on Fri 11 Jul 24.
